RE: Guam Department of Public Health and Social Services Biohazard Facilities and Response Modernization CPF

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Biohazard Facilities and Response Modernization in fiscal year 2026. The entity to receive funding for this project is Guam Department of Public Health and Social Services located in 155 Hesler Place, Hagatna, GU 96910. The project is an appropriate use of taxpayer funds because it will establish and expand DPHSS' ability in prevention, preparedness, response and recovery initiatives to public health threats.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
