RE: Guam Memorial Hospital Medical Transport and Equipment Acquisition Project CPF

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Guam Memorial Hospital Medical Transport and Equipment Acquisition Project in Fiscal Year 2026. The entity to receive funding for this project is Guam Memorial Hospital located at 850 Governor Carlos G. Camacho Rd., Tamuning, GU 96913. The funding would be used for the procurement and installation of 3 modern Ship-to-Shore gantry cranes. The project is an appropriate use of taxpayer funds because this investment will enhance emergency response capabilities, inter-facility transfers, and continuity of care across both the acute care hospital and the affiliated Skilled Nursing Facility (SNF) in this medically underserved and geographically remote U.S. jurisdiction.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
