RE: Port Authority of Guam Strengthening Supply Chain with New Port Cranes CPF

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Strengthening Supply Chain with New Port Cranes in Fiscal Year 2026. The entity to receive funding for this project is Port Authority Guam, located at 1026 Cabras Highway, Ste. 201, Piti, GU 96915. The funding would be used for the procurement and installation of 3 modern Ship-to-Shore gantry cranes. The project is an appropriate use of taxpayer funds because modernizing this key infrastructure is essential to ensuring the Port's continued operational reliability, improving cargo-handling efficiency in support of the ongoing military buildup and DOD missions in the interest of national security, and maintaining uninterrupted access to goods and materials throughout Guam and the Indo-Pacific region..

The project has a federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
