**RE: Todu Guam Foundation's Community Health and Wellness Center CPF**

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Todu Guam's Community Health and Wellness Center in Fiscal Year 2026. The entity to receive funding for this project is Todu Guam, located at 125 Tun Jesus Crisostomo St. Ste 104, Tamuning, Guam, 96913. The project is an appropriate use of taxpayer funds because it will fund a private, non-profit organization that will provide critical healthcare on Guam and fill a major gap in the island's current health care availability. Without Todu, residents on island are funneled to one of two community health clinics or the aging and decrepit Guam Memorial Hospital. Guam desperately needs more health care providers and Todu is willing to stand in the gap and provide that.

The project has a federal nexus because the funding provided is for purposes authorized by Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Member of Congress
